

B2. FOOD AND BEVERAGES IN PUBLIC AREAS

Geneva Public Library District (GPLD) designates areas for eating and drinking, including the first floor vending area and outdoor patios. Covered beverages are allowed throughout the Library. Patrons may only eat meals or drink from uncovered beverages in designated areas.

Patrons are expected to properly dispose of trash after eating or drinking. Food and drink may not interfere with others' use of the library, or damage or threaten damage to library property.

Staff may provide food and beverages in public areas of the Library for approved programs and events.
