Learn about the EXCITING FEATURES coming to the new Library

Help us to ensure we build a library that meets the needs of our community and become part of Geneva Library Foundation’s “With You, We Will Build a Legacy” Capital Campaign. The spaces are permanently named and can be for you, your family, a loved one, or a special person you would like to recognize. Several spaces have already been named.

Combined with public funding, we will provide services that you should expect from your library, including a DIY space, technology training, family learning and play areas, and more. We’ll help more children develop a love of reading, more teens foster their independence, more adults learn job skills, more seniors stay engaged learners, and more residents have a welcoming place to come together as a community.

For an overview of our Capital Campaign and donor opportunities, please visit our website at genevalibraryfoundation.org.

For more information on this opportunity, contact Michael Longo at: info@genevalibraryfoundation.org.

We look forward to discussing naming opportunities with you!

FALL 2019 GENEVA LIBRARY SCHEDULE

We are working with our building team to update the construction schedule and hope that construction on the new library will be complete by the end of the year. The opening day will be determined at a later date.

We will post regular updates on our progress at gpld.org and our Facebook page, so check in regularly for the latest news!
