I. Introduction
The Board of Library Trustees of the Geneva Public Library District realizes that occasionally it may be appropriate to allow alcoholic liquor to be served in the Library during fundraising events or during programs of a cultural or educational nature sponsored by the Geneva Public Library District (Library), the Friends of the Geneva Public Library (Friends), or the Geneva Library Foundation (Foundation).

This Alcoholic Liquors Policy (“Policy”) is adopted pursuant to the Illinois Liquor Control Act of 1934, 235 ILCS 5/1 et seq. (“Act”), to allow the delivery and sale of alcoholic liquors at any building owned by the Library during fundraising events or programs of a cultural or educational nature. Advance approval by the Library Director is required. The Act authorizes the delivery and sale of alcoholic liquor in a building owned by the Library (“Building”) in accordance with this Policy.

This Policy governs when and under what circumstances alcoholic liquor may be delivered and sold in Library Buildings. All Library rules and regulations shall remain in effect at all times.

II. Application
Serving alcoholic liquors at any event must be approved in advance in writing by the Library Director. The Library Director is authorized to approve requests for delivery and sale of alcoholic liquor that conform to the requirements of this Policy. The Friends or the Foundation shall submit a request in a form to be provided by the Library (see attached Application).
